

# Guide to connect to KIS\_Staff using Android Phone

On you Android Phone , navigate to your Wi-Fi setting

Click “**Wi-Fi**”

Click “**KIS\_Staff**” from the list of available Wi-Fi networks.

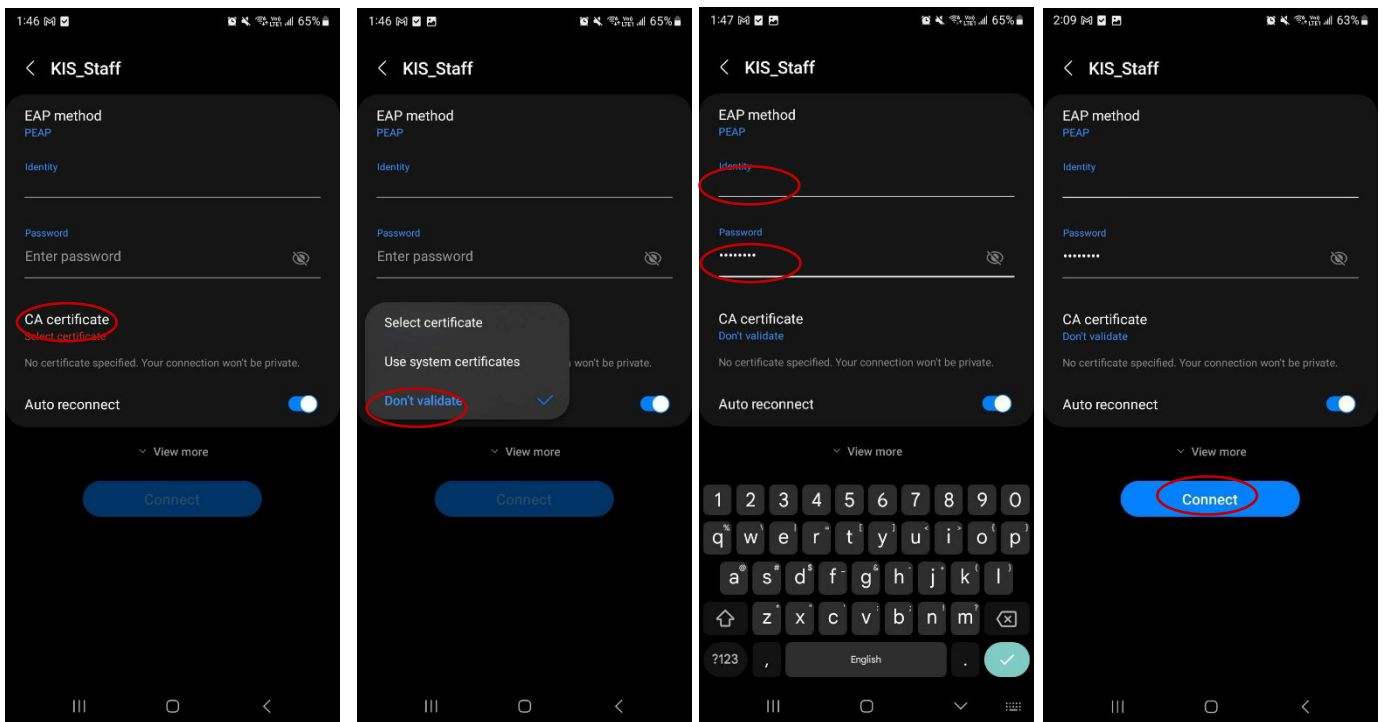

Click “**CA Certificate**”

Click “**Don’t Validate**”

Enter Username and Password by referring to the user name and password from the email Subject “**Staff WiFi Password**” that was send on Feb 8<sup>th</sup> from Steve Kiss.

Click “**Connect**”

You should now be successfully connected.
